It is my pleasure to recommend the services of Gulf Coast Sound, Inc. to you. During the past eight years, our conference team has worked directly with Larry Habetz, owner of Gulf Coast Sound, Inc., at our conferences. The company offers top-notch quality, service, and rates. Across the board, we are always pleased with their work.

We hold our annual youth conference each year in which Larry and his team illustrate their attention to detail and concern for quality far beyond what is expected of them all. Each year, Larry adds to our conference because he is a team player and wants to see growth in all that we do. Our team believes that the creativity and knowledge of this company helps us in providing the best conference possible.

Please consider Gulf Coast Sound, Inc. for all of your sound and lighting needs. I recommend them and look forward to working with them again each year.

Sincerely,
